The following are the questions presented to the *Shaykh* with the corresponding minute marker from the audio:

1. There is a brother and his wife; the wife is currently pregnant and they have one child together already, and are living in Egypt. However, the situation in Egypt is not very good, as you already know. The brother has found a job in the UAE and wants to leave Egypt. However, if he leaves Egypt he wants to take his wife to the UK where his mother is. However, he says to her that he doesn't know how long she will have to stay there, as they both made *hijrah*. Is it permissible for her to go to this non-*muslim* land, not knowing how long she will have to stay there? And she has the option to go to another *muslim* country which is stable; with her family (Qatar).. [00:44:30]
2. A sister is looking to get married. Because she is suffering from demonic possession, she wants to make sure that she finds a brother who is steadfast upon the *dīn* to help her. What qualities should she look for in a husband and when should she inform him about her being possessed? [01:07:26]
