The following are the questions presented to the *Shaykh* with the corresponding minute marker from the audio:

1. What are the proofs and evidences of how to deal with a disobedient and disrespectful teenager, who swears by **Allāh**, tells lies and causes *fitnah* within the household? [00:01:00]
2. O *Shaykh*, we have in our country (Norway), a charity organisation that arranges at times, cake sales to collect money for our brothers and sisters who are struggling in our Muslim lands. Questions have been raised regarding whether it is permissible for sisters, as they’re usually the ones who sell these cakes. Is it acceptable? [00:10:05]
3. These cake sales often take place in open places -for example market places, and the sisters are exposed to *non-mahram* men. Everyone is free to buy their cakes including *non-mahram* men and so they have direct contact with the sisters when they are purchasing their stuff. Sometimes because of the hatred and animosity directed towards Muslims, the sisters sitting at the stands are abused verbally by aggressive *kuffar*. At the end of that part regarding the fact that very few volunteers wanted to do this job O *Shaykh*, the sisters are asking if there are any exceptions made because of the dire need to collect money for Muslims who are struggling. Is it then permissible

for them to carry on? Advice has been given to their organisation (starts again at 38:26), to refrain from arranging these cake sales with sisters. But they wish for proofs from the *Qur'an* and the *Sunnah*, so we sent this question to you O *Shaykh* so we can have the advice and guidance of an elder with knowledge -may **Allāh** preserve you. [00:22:16]

4. Can *sajda* be performed on places other than the ground? [00:42:03]
