The following are the questions presented to the Shaykh with the corresponding minute marker from the audio:

1. Is it permissible to have a few brothers in security where we pray *Jumu'ah* and how would they pray themselves if they are on security? Do they miss the first *rak'ah* and join the second or how it should be done? *BārakAllāhu fikum* And that's related to the events that have been taking place throughout the country and were occurred in Canada, so as to try and prevent such a disaster. [00:00:54]
2. Could you please give advice to a sister that feels left out by her companions and feels lonely from her companions upon the *Sunnah* to the extent that she feels like not practising. Can you advise her on how to keep firm on the *Sunnah* and not let these affairs upset a person. [00:07:38]
3. What is the ruling for a person who continually passes gas as far as reading and touching the *muṣḥaf*? Does one have to keep making *wuḍū'*? [00:34:42]
4. I am a sister from London. I am upon the *manhaj* of the *Salaf*. My older brother who is not upon the *manhaj* of the *Salaf* recently suggested that he wanted to invest in producing *Islāmic* children cartoons as there is a lack of them out there with sufficient and accurate information. He said he wants to do short clips of *Ahādīth* on YouTube. I did mention to him the

impermissibility of pictures which have souls. Also, some scholars say to take away the eyes and then its fine, others say the head, I am not sure which one is the stronger opinion. Please let me know if there is a possible way of making this happen. Also ventures and books, TV and other platforms would be good to for listeners like myself because there is such a lack of children education and products out there which are not executed correctly and which do not have one hundred percent correct information.
BārakAllāhu fīk [00:37:50]

5. In a household there are three children, a 9 year old girl, an 8 year old girl and a 6 year old boy. The 9 year old girl has memorized a lot of *Qur'ān* than the other two. When they pray *ṣalāh*, is that okay for the 9 year old girl to lead the other two because she knows more *Qur'ān*? Or should the young 6 year old boy lead them with the little that he knows? [00:46:21]
6. Are we allowed to ban a boy who is 10 years old, a boy specifically, from going to the *masjid* because of the bad character he is picking up from other people at the *masjid*? [00:53:45]
7. Is it permissible to voluntarily work for a company that deducts money from your paycheck for medical health and possibly other types of insurance and you are not able to opt out or refuse that insurance? May **Allāh** be pleased with you and preserve you, and shower His blessings upon you and your family, *Yā Shaykh*. [00:57:33]

8. Some of our brothers and sisters that have been guided to the *Sunnah* in cities, or towns, here in the West where no other *Salafis* is around. Even though there are *Muslims* around them and *masājid* around them but nobody is following the way of the *Salaf*. So what is the advice to that individual that **Allāh** has guided him or her to the *Sunnah*? [01:00:03]
